Brief details:

Members will recall that in April 2008 they allocated ££3,930 towards provision of a youth shelter in Priory Memorial Gardens. Shortly thereafter there was considerable vandalism on site, and officers suspended the project, although the Youth Council had by then consulted young people in the town and selected a design of shelter.

Discretionary rate relief: **£0** Funder:

Comments from Development Officer:

Priory Memorial Gardens is still a major meeting place for young people, and the need for a shelter has not gone away. Prices have however risen, and to supply and install the selected shelter would now cost an additional £1,869. This comprises a price increase of £400, a requirement for security fencing costing £250, installation costs of £692, and carriage of £527. Will Members allocate £1,869 from their Environmental Projects budget to a youth shelter in Priory Memorial Gardens?

Amount recommended: **£1,869**
