Comments from Development Officer:

Youth football provision is catered for in Baldock by Baldock Town Youth Football Club. The age range for the team being set up is catered for by Baldock Town who currently have 3 teams in place for this age group. They do not currently have a demand or anyone on the waiting list from this age category. John Harris has already paid for the registration of Team Baldock so that they are eligible to play in the 2010/11 season. John has 14 players currently signed on with more expected to follow. It should be stressed that the make up of the team includes players from Letchworth and Hitchin as well as Baldock. Football is an activity that brings the whole community together. Team Baldock is open to all young people within the age range. A start up grant of £250 is recommended for this project.

Amount recommended: **£250**
