Comments from Development Officer:

**This is a Fast track funding application. The North Herts Forum is an important group for the over 50s which seeks to ensure that older people have a clear local and national voice. The Over 50s forum is open to all residents in the community over the age of 50. The Forum is now established but needs funding to maximise on a recruitment drive to ensure it is well represented within North Herts. In other areas in the County, memberships of 1000+ have been achieved and this is a feasible longer term target for the North Herts Forum. The Forum will benefit the over 50s community in Baldock through activities and events as well as ensuring therer is a local voice. This is criteria compliant and falls within the priority for continuous improvemnet of servcies enabled by the Authority.**
