Comments from Development Officer:

It is not normal procedure to fund school projects however the school has agreed to make the equipment available to local community groups and schools within the area. Funding for this equipment has come from the ward members of Baldock Town, Baldock East, Arbury and Weston and Sandon on the condition that it can be used for events with their areas. The application will provide value for money as Knights Templar will act as the hub for the community to borrow the microphones.

Amount recommended: **£1,338**
