Comments from Development Officer:

This club has been running since 1929 and this will be the first time that the club has approached the Baldock & District Committee for funding. The application is criteria compliant. Whilst this group is providing more than 50% match funding, the norm is for the sports clubs to get a start up grant of £250. The club currently has 30 members but will be using the funding to advertise for new youth players. As the club is seeking to boost its youth membership which will help with the continuity of the club for years to come my recommendation would be for an award of £500

Amount recommended: **£500**
