Comments from Development Officer:

The Group's application for funding assistance for the purchase of such equipment is compliant with the Authority's current Grant Policy.

The Troop has raised 50% of the funds required and has asked if Members would consider matching it's own funds with a Discretionary Grant of £1,178.45 from budgets available to the Area Committee.

The Area Committee last awarded a grant to the Scout Group back in June 2011 to the level of £500 in assisting in the provisions required and the running of the Group's Annual Summer Camp.

This organisation receives Mandatory Rate Relief.

The Community Development Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application to put before the Committee.

Amount recommended: **£1,178**
