Comments from Development Officer:

The BTP put on a wide range of events for the community. The Baldock Cycle Challenge is now into its third year and is an event that helps to raise the profile of Baldock and the surrounding villages as well as the facilities they offer. The event also drives footfall for some of the local eatiers and Public Houses in the area, as riders are requested to stop at many of these along the route. Finally this event acts as a fundraiser for the Wallington Village Hall Committee and Caldecote Church. The application is criteria complaint and the officer recommendation is the full award split in the usual way between Baldock Town, Baldock East, Weston & Sandon and Arbury.

The Community Development Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application to put before the Committee.

Amount recommended: **£500**
