# 8. PROJECT/ACTIVITY/SCEME DETAILS

# 8.1 **Baldock Town & District Partnership**

The Baldock Town & District Partnership (BTADP) has held two events since the March Area Committee, namely the April and May monthly Farmers Markets. An update on this event is provided below.

#### **Farmers Markets**

The monthly Farmers recommenced in March but after a positive showing in March and April, the May event was very disappointing with only 5 stalls in attendance. The May Farmers Market coincided with the Women's Cycle Tour passing through Baldock and it was disappointing that not more stalls attended as footfall was extremely good. Expected poor weather was the reason cited for low attendance from stall holders. The Baldock Town Centre Manager has been tasked with increasing stall take up at the Baldock Farmers Market but this has proved difficult to achieve.

# **Weekly Markets**

Since the March meeting, there has been positive developments with the weekly market with 4 new stalls now on board, bringing the total of weekly stalls to 7, compared with just 3 previously. New stalls are cheese, bric a brac, new fruit and vegetable and apple cottage juice & cider. The Baldock Town Centre Manager (TCM) is hoping to secure further stalls in the run up to the summer months.

# **Baldock Town Guide**

The Town Guide which was originally due to be completed and circulated in December 2013, has been delayed further and is now likely to be produced and circulated in June/July 2014. It has not yet been determined the

circulation of this publication although a pdf version will be available to all from the Baldock Town Partnership website in due course. This delay has lead to several complaints from those businesses who signed up to the project in October 2013.

# **Baldock Town Manager Position**

As of May 2014, the position of Baldock TCM has moved to a part time role of 20 hours per week. As well as the change in hours, the TCM's work focus will now be on supporting the local businesses, managing the weekly and farmers market as well as co-ordinating the Baldock Network Group and managing the BTADP website. Less focus will be on running the sporting events, which will be managed by volunteers and possible outsourcing to external organisations.

#### **Events**

Future events planned by the BTADP include:

- Baldock Big Lunch (Sun 1<sup>st</sup> June 2014)
- Baldock Farmers Market (Sat 14 June 2014)
- Baldock Cycle Challenge (Sun 22<sup>nd</sup> June 2014)

#### 8.2 Sale Drive

The Baldock CDO has now received a formal quote from Hertfordshire Highways for the installation of adequate lighting and the formalising of the footpath at the rear of Sale Drive. S106 monies have been identified for this project.

NHDC Legal and Property Teams are currently looking to secure the adoption of the land from Barratt Homes to Hertfordshire Highways.

On successful completion of the land adoption, funds will be released to Hertfordshire Highways so that the project can be added to the 2014/15 work programme.

# 8.3 Baldock Big Lunch

The Big Lunch will be returning for a fourth time to Baldock High Street on Sunday 1<sup>st</sup> June. The Big Lunch is a nationwide initiative set up by the Eden Project that encourages people to sit down together for lunch. It has proved a massive success in building community relations both nationally and in Baldock.

As with previous years, people will have a choice of foods to chose from including barbecue, carver, fish and chips, ploughman's or an Indian curry. Cost will be £7 adult and £3 for children. As well as the food, there will be live music throughout the day as well as face painting and inflatables for the children. It is hoped that this event will again attract in the region of 400 people.

#### 8.4 Avenue Park Disability Discrimination Act Improvements Project

The Baldock CDO is liaising with Graham Woods at Avenue Park in a project to install a stair lift at the venue. Draft costings for the project have been received with the overall cost for stair lift installation and refurbishment work to the stairwell in the region of £6.5k. There will be no planning or building regulations needed for this project.

The Avenue Park Committee have part funding for the project and will be pursuing funding for the remainder from Baldock Area Committee, HCC Locality funding and also S106 in the next couple of months.

#### 8.5 Baldock Festival

The 31<sup>st</sup> Baldock Festival was held over a fortnight in May and was again successful. The majority of events over the two week festival sold out and the Baldock Street Fair was one of the biggest the town has seen. The Baldock CDO was involved throughout the festival and assisted with the event publicity, the event plan that was shared with North Herts Safety Advisory Group and the parking arrangements for the event.

NHDC staff supported the Baldock Festival Book Fair event by donating books for the activity. Their support helped to raise £700 for the Garden House Hospice.

# 8.6 **Baldock Cycle Challenge**

The Baldock Cycle Challenge will return to Baldock and the villages for a third time on Sunday 22<sup>nd</sup> June. This years event will follow the same format and course as last year, with riders required to stop at numerous checkpoints in order to successfully complete the course.

The Baldock CDO has been involved in promoting this race and also securing both the checkpoints for the event and the marshals to ensure the event runs smoothly and safely.

A new edition for the ride in 2014 is the inclusion of a sportive ride option whereby rather than stop at checkpoints riders simply complete the course in the fastest time possible. This option will appeal to the more serious cyclists and those in training for serious races.

Entry for this event opened in early May and whilst take up so far has been slow a field of around 150-200 is expected.

As well as being an income generator for the BTADP this event will also raise the profile of Baldock and villages and also drive footfall for the businesses involved in the event.

# 8.7 **Highways Matters**

It was agreed that a section entitled 'Highways Matters' is included within the Area Champion's News Report for each committee cycle to facilitate debate and enable appropriate feedback on any of the proposed or listed schemes.

Any new proposals will be forwarded to the respective Herts County Councillor for consideration, who will in turn report back and advise the Committee accordingly.

#### 9. LEGAL IMPLICATIONS

9.1 The Terms of Reference in relation to Area Committees confirm that they may establish and maintain relationships with outside bodies/voluntary organisations which include discretionary grant aid/financial support. However, this does not include grants for district wide activities.

- 9.2 Section 1 of the Localism Act 2011 provides that the Council has power to do anything which it considers likely to promote or improve the economic, social or environmental well-being of its area. This would apply on the basis that financial assistance to voluntary and community organisations improves the economic, social or environmental well-being of the District or part of it.
- 9.3 Section 137 Local Government Act 1972 provides specific authority for the Council to incur expenditure on anything which is in the interests of and will bring direct benefit to its area. This includes a charity or other body operating for public service.
- 9.4 The Committee has delegated powers to administer funds from the budgets described.

#### 10. FINANCIAL IMPLICATIONS

- 10.1 In the past few years there has been no inflationary allowance to the main Area Committee Budget and the 2014/15 baseline budget has stayed the same as the previous year.
- 10.2 The former MoU Budget is subject to a 7.1% reduction each year through to financial year 2015/16.

#### 11. RISK IMPLICATIONS

11.1 There are no risk entries that have been recorded on Covalent, the Council's Performance & Risk system. Individual events should have there own risk assessments in place to mitigate any health and safety issues. There are no pertinent risk implications for the Authority associated with any items within this report.

# 12. EQUALITIES IMPLICATIONS

- 12.1 The Equality Act 2010 came into force on the 1<sup>st</sup> October 2010, a major piece of legislation. The Act also created a new Public Sector Equality Duty, which came into force on the 5<sup>th</sup> April 2011. There is a General duty, described in 12.2,that public bodies must meet, underpinned by more specific duties which are designed to help meet them.
- 12.2 In line with the Public Sector Equality Duty, public bodies must, in the exercise of its functions, give due regard to the need to eliminate discrimination, harassment, victimisation, to advance equality of opportunity and foster good relations between those who share a protected characteristic and those who do not.
- 12.3 The projects which comprise the Community Development Officers' workload, and area committee funding assigned to community projects are assessed to ensure that they are as inclusive as possible to members of the local community. The only deviation to this is where a minority group may specifically receive funding or allocation of resources to address a particular area of need or 'gap' in provision.

# 13. SOCIAL VALUE IMPLICATIONS

13.1 As the recommendations made in this report do not constitute a public service contract, the measurement of 'social value' as required by the Public Services (Social Value) Act 2012 need not be applied, although equalities implications and opportunities are identified in the relevant section at paragraphs 12.

#### 14. HUMAN RESOURCE IMPLICATIONS

14.1 There are no pertinent Human Resource implications associated with any items within this report
