Comments from Development Officer:

The current R.B.L flag is in a bad state of repair, therefore a replacement is required. Whilst there is no match funding for this project, the application is criteria compliant as equipment costing up to £500 can be 100% supported from Area Committee funding.

The Community Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application to put before the Committee.
