Comments from Development Officer:

Hinxworth Youth Club was set up in October 2014 to provide an essential service for the young people of the village. The club meets on a monthly basis and has 30 children currently attending. The group are looking to purchase new equipment for the club which is crucial as they had previously been borrowing equipment from a youth worker who is no longer able to assist at the club. The purchase of new equipment will keep the current members happy and will hopefully also help attract new members to the club. The application is criteria compliant.. In line with guidance, the maximum officer recommendation for equipment is £500.

The Community Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application to put before the Committee.

Amount recommended: **£500**
