Comments from Development Officer:

Baldock Methodist Church is seeking £150 to contribute towards the total cost of £180 for internal storage units. The group is trying to generally engage more with the community within Baldock and the surrounding area. As part of this process, the Church set up Tiny Tots, a mothers and toddlers group in October 2016. The group meets regularly and currently has 30 children and mothers attending the sessions.

The funding requested will enable the church to purchase internal units for storing the group's toys and games. The storage will also be made available to other community groups using the church in the provision of local activities.
