### 1. Accounting Policies

- a) The financial statements have been prepared in accordance with applicable accounting standards and the Charities Act 1993. They follow the recommendations in the Statement of Recommended Practice, Accounting and Reporting by Charities (issued in 2005). The financial statements assume that the Trust is a going concern i.e. the Trust's activities will continue for the foreseeable future.
- b) The financial statements have been prepared under the historic cost convention as modified by the revaluation of investments and buildings to market value.
- c) Unrestricted funds relate to income received or generated for the general purposes of the charity.
- d) Incoming resources from activities for generating funds is income earned from the hire of the gymnasium and workman's hall.
- e) Fixed Assets

Assets with a value of at least £1,500 are recognised as an asset on the balance sheet. Items of equipment purchased with a value of less than £1,500 are included within resources expended on the Statement of financial activities.

Depreciation is provided at rates calculated to write down the cost of each asset on a straight line basis over its expected useful life to its estimated residual value. The useful life remaining is assessed as 50 years as at 1 April 2012. The depreciation rate in use is as follows:

Building 50 years (2%)

- f) Debtors constitute accrued income.
