DISCLAIMER

This report contains the observations and recommendations identified by an individual surveillance inspector, or team of surveillance inspectors, during an inspection of the specified public authority conducted on behalf of the Chief Surveillance Commissioner.

The inspection was limited by time and could only sample a small proportion of covert activity in order to make a subjective assessment of compliance. Failure to raise issues in this report should not automatically be construed as endorsement of the unreported practices.

The advice and guidance provided by the inspector(s) during the inspection could only reflect the inspectors' subjective opinion and does not constitute an endorsed judicial interpretation of the legislation. Fundamental changes to practices or procedures should not be implemented unless and until the recommendations in this report are endorsed by the Chief Surveillance Commissioner.

The report is sent only to the recipient of the Chief Surveillance Commissioner's letter (normally the Chief Officer of the authority inspected). Copies of the report, or extracts of it, may be distributed at the recipient's discretion but the version received under the covering letter should remain intact as the master version.

The Office of Surveillance Commissioners is not a public body listed under the Freedom of Information Act 2000, however, requests for the disclosure of the report, or any part of it, or any distribution of the report beyond the recipients own authority is permissible at the discretion of the Chief Officer of the relevant public authority without the permission of the Chief Surveillance Commissioner. Any references to the report, or extracts from it, must be placed in the correct context.
