### 3. REASONS FOR RECOMMENDATIONS

- 3.1 The functions of the Council Tax Setting Committee are to set the Council Tax Base and to set the overall level of Council Tax for the following financial year taking into account the precepts of all Major and Local Precepting Authorities.
- 3.2 The level of Council Tax Requirement has been considered necessary to meet the budgeting needs of the Council for 2014/15.

#### 4. ALTERNATIVE OPTIONS CONSIDERED

4.1 Options for the appropriate level of Council Tax were considered by Members at Full Council.

## 5. CONSULTATION WITH EXTERNAL ORGANISATIONS AND WARD MEMBERS

5.1 Consultation on the 2014/15 budget proposals has taken place with all Members through the Corporate Business Planning process.

#### 6. FORWARD PLAN

6.1 This report contains a recommendation on a key decision that was referred to in the Forward Plan on 6 September 2013.

# 7. BACKGROUND

- 7.1 At its meeting on 14 January 2014 the Council Tax Setting Committee calculated the amount 46,977.90 as its council tax base for the year 2014/2015 in accordance with regulation 3 of the Local Authorities (Calculation of Council Tax Base) Regulations 1992 (the Regulations).
- 7.2 At its meeting on the 13 February 2014 the Council approved a net budget of £15.636million and a council tax increase of 1.9% for 2014/15. It noted that the total net Parish precept requirement was £920,137. As a result the calculated Council Tax requirement for the Council's own purposes for 2014/15 (excluding Parish precepts) is £9,589,599 and hence the total Council Tax requirement (including Parish precepts) is £10,509,736.

### 8. ISSUES

- 8.1 The Local Government Finance Act 1992 sets out the calculations required for the Council Tax Requirement and the overall council tax levels. These calculations have been applied to the precept requirements of the District Council, County Council, Police and Crime Commissioner and Town and Parish Councils and the outcome is provided for Members approval in section 2 of this report.
- 8.2 The Council has decided to increase council tax by 1.9%. This is below the referendum threshold of 2% so a local referendum on the council tax level is not required.
- 8.3 The Town and Parish Councils have requested a total overall precept of £999,240. This is an increase of £37,010, or 4%, on the requested precept for 2013/14. This Council has agreed to pass a grant of £79,103 to the Town and Parish Councils to help mitigate the impact of the Council Tax Reduction Scheme. This means the actual amount of precept charged to taxpayers for Town and Parish Councils for 2014/15 is £920,137, an increase of 5.6%.

- 8.4 Hertfordshire County Council has requested a precept of £52,560,284. This means the Band D charge for the County Council precept remains unchanged at £1.118.83.
- 8.5 The Police and Crime Commissioner has requested a precept of £6,944,273. This means the Band D charge for the Police and Crime Commissioner remains unchanged at £147.82.

## 9. LEGAL IMPLICATIONS

- 9.1 The provision for the Authority to levy and collect a Council tax is provided in section 30 of the Local Government Finance Act 1992 (Aggregating Billing Authority and Preceptors Council Tax Charges).
- 9.2 The principles for Referendums relating to Council Tax increases was published by the Government on the 5 February 2014.
- 9.3 For 2014/15 the relevant basic amount of council tax is deemed to be excessive if the authority's relevant basic amount of council tax for 2014/15 is 2%, or more than 2%, greater than its relevant basic amount of council tax for 2013/14.

# 10. FINANCIAL IMPLICATIONS

- 10.1 The approval of the Council Tax resolution will authorise the council tax billing of the residents of North Hertfordshire for financial year 2014/15. The District precept to be collected is £9,589,599.
- 10.2 Council Tax is a key funding stream for the Council which enables the provision of services to residents.

### 11. RISK IMPLICATIONS

11.1 The risk of non-collection of council tax is monitored in the Collection Fund. The tax base calculations have assumed a non-collection rate of 1%.

### 12. EQUALITIES IMPLICATIONS

- 12.1 The Equality Act 2010 came into force on the 1 October 2010, a major piece of legislation. The Act also created a new Public Sector Equality Duty, which came into force on the 5 April 2011. There is a General duty, described in 12.2, that public bodies must meet, underpinned by more specific duties which are designed to help meet them.
- 12.2 In line with the Public Sector Equality Duty, public bodies must, in the exercise of its functions, give **due regard** to the need to eliminate discrimination, harassment, victimisation, to advance equality of opportunity and foster good relations between those who share a protected characteristic and those who do not.
- 12.3 The review and setting of Council Tax is a statutory responsibility of this Council and thus by setting the level of council tax and any rise, it must show that it is mindful of the impact this may have for individual residents' ability to pay against the need of the council to have sufficient base budget to deliver key services for those same residents. The recommendation to pass on a grant of just over £79,000 to the district's town and parish councils to mitigate the impact of Council Tax Reduction Scheme reflects some of the considerations made in reaching this balance.

### 13. SOCIAL VALUE IMPLICATIONS

13.1 As the recommendations made in this report do not constitute a public service contract, the measurement of 'social value' as required by the Public Services (Social Value) Act 2012 need not be applied, although equalities implications and opportunities are identified in the relevant section at paragraphs 12..

#### 14. HUMAN RESOURCE IMPLICATIONS

14.1 There are no direct human resource implications.
