

TITLE OF REPORT: NOTICE OF MOTIONS

To consider any Motions submitted by Members of the Council, due notice of which has been given in accordance with Standing Order 4.8.12. The following motions have been submitted:

(A) National Health Service (NHS) services

To be moved by Councillor Clare Billing and seconded by Councillor (to be advised):

“That this Council notes with concern that local NHS services are under considerable pressure, particularly Accident and Emergency and GP services. It further notes that there are limited opportunities for local residents to receive advice and support for minor injuries and illnesses.

North Herts District Council will work with the County Council’s public health Officers and local health providers to improve and integrate services in order to alleviate pressure on A&E and GP services locally.”

(B) Council and Committee Meetings – School holidays

To be moved by Councillor Frank Radcliffe and seconded by Councillor (to be advised):

“That, in order to encourage the widest range of people to stand as councillors both now and in the future, and to recognise the importance of caring and parenting responsibilities, NHDC will revert to its previous policy of not normally holding scheduled meetings of Committees and Council during the school holidays.”
