Repairs & Maintenance	42,000	52,980	10,980	July/August 2011	LABGI funds were put aside for essential road markings repairs to enable continued enforcement of TROs. The funds are committed to known repairs. Following on-site investigations and necessary survey work, this has resulted in the need to amend the existing TROs which are the subject of formal consultation during Feb to March 2011. Installation of the agreed TROs will be in the summer of 2011.
Other Hired Services	64,000	71,250	7,250	July/August 2011	The priority areas have been selected for the Baldock town-wide review. On street survey work and questionnaires has been carried out to ensure the most appropriate restrictions are implemented within Baldock and in Knebworth. Formal consultation on the draft TROs was completed in April 2011 and intended implementation is July 2011.
