						Review of Progress	
						Traffic Light	Comments
WBS HR07851	Wratten Road West & Winston Close - Parking Issues	Roger Flowerday 01438 757800	cost estimate for the scheme £7,000 JMP resolved to fund (£4000) and £3000) funded by Councillor Derek Ashley from Locality Budget June 09	Ongoing	Ongoing	Green	Schemes were requested at the Oct 09 JMP. Two Objections received to the Winston Close proposals. The panel met to consider the objections and recommended that the order proceed as advertised.
	Cemetery Road, Hitchin – parking bays (Design and Works)	Roger Flowerday 01438 757800	Total cost of scheme £15,500 (Civil's works only). JMP has agreed to fund £13,500. The AC is asked to consider funding the remaining			Red	Cemetery Road forms part of an area being investigated by NHDC for installation of parking measures to address the commuter parking in the area. However, during the informal consultation stage of the TRO an objection was raised by the Fire Service. To address the objection the proposed solution is to create parking bays by widening into the verge. However this

						Review of Progress	
						Traffic Light	Comments
			£2,000 Highbury Ward Members have agreed to contribute the £2,000.				scheme will only be progress if and when NHDC have confirmed they will be proceeding with the wider TRO. Furthermore the JMP is only funding and promoting the physical works associated with constructing the parking bays and <u>not</u> the TRO.
	Verge Protection – Westmill Road, Hitchin (Works)	Roger Flowerday 01438 757800	Total cost of works £2,000. JMP has agreed to fund £1,300. The AC is asked to consider funding the remaining £700 Hitchin Oughton Ward have agreed to fund the £700.			Red	This site was brought to our attention by Councillor Billing. There is evidence of verge overrun which would benefit from verge protection.
