Comments from Development Officer:

The Caldicott Youth Clubs are requesting £500 to provide a WII system for the new Club together with a number of games. With this in place they hope to expand the club membership to the maximum of 15 young people allowed by the premises available. The Club is a joint venture with Hitchin Youth Trust and a good example of partnership working with both bodies using their particular skills and expertise. The outcome will be a club which provides a valuable diversionary activity for young people.

Amount recommended: **£550**
