Comments from Development Officer:

The Committee have supported the Vaisakhi Procession for a number of years. Each year the organisers have to apply for permission for an increasing number of licences to cover the various parts of the procession including rolling road closures, event application and being able to play music during the procession as well as substantial insurances, security and the hiring of a Traffic Management group. The Gurdwara normally spends between £6,000 and £7,000 and is requesting support towards the Traffic Management and Public Liability.

Amount recommended: **£1,000**
