Comments from Development Officer:

CAYPOW has been managing the Coffee Mill for some time and costs increase yearly. There is at the moment an active volunteering group working with the young people on Westmill and this requires maintaining, particularly with the proposed new Community Centre with youth section. It is important that the community are involved in all aspects within their local area and volunteers are to be encouraged and supported. CAYPOW is also very much supported by their Ward members as they know at first hand how the volunteers benefit the estate.

Amount recommended: **£750**
