Comments from Development Officer:

Young people with behavioural difficulties or in danger of offending will be recruited. The group have invested approximately £1000 of their own money to purchase most of the equipment needed. However, in order to keep the cost of each session to absolute minimum they are requesting grant funding to cover the intial cost of hiring the all season pitch based at North Herts College at their Hitchin Site. This would allow them to build up the numbers needed to remain sustainable.

The Community Development Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application to put before the Committee.

Amount recommended: **£620**
