Comments from Development Officer:

As issues surrounding Anti Social Behaviour on the Westmill Estate inevitably increase over the School Summer break it is important to provide a range of structured activities for young people and children. The activities will aim to divert those attending from behaviour that is likely to be anti-social to others living in the commuinity and prevent possible criminal activity.

The Community Development Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application to put before the Committee.

Amount recommended: **£660**
