Sum requested: **£1,500**

Total project cost: **£65,100**

Brief details:

Hitchin Town Centre Initiative are requesting that Councillors consider a grant funding contribution towards a variety of town centre enhancements including the cost of the town centre Christmas Lights.

This grant would be compliant with the Authorities' strategic objectives of working with local communities and protecting the environment. However, members should be aware that since NHDC previously took a decision under corporate business planning, not to fund town centre enhancements such as hanging baskets. In addition, in 2010/11 a decision was made to gradually withdraw funding from town centre partnerships in order to ensure they would become self sustaining. Hitchin Initiative, having been established the longest was first to have its funding gradually withdrawn and then cease, as will the remaining three in the district in coming years.
