Comments from Development Officer:

The Jackmans Funday is a very important event for the local community and that part of the Garden City. The Ivel Court Centre over the past few years has been consider in a number of redevelopment plans that unfortunately never proceeded and the Funday provides the local community a chance to get together and vitalise the Centre and those living and working in the neighbourhood. It also provides much needed information about the amenities available in the area that are often overlooked by many in the area. Such as the Community Centre, local groups and clubs, churches, children's centre and the newly launched Garden City Academy.

Amount recommended: **£1,000**
