Comments from Development Officer:

**North Herts Homes have progressed plans for the redesign of the grass area to include planting in order to deter ball games and enhance the area.
Following discussions between partner stakeholders, local police officers, North Herts homes Neighbourhood and ASB Officers and Community Development and ASB Officers from NHDC it is felt that a mobile CCTV mast is a preferable option in order that a mobile camera can be placed there to deter ASB and to gather valuable evidence against offenders.**

Amount recommended: **£758**
