Comments from Development Officer:

Garden City Samba perform at most of the major events in the Town and promote the name of Letchworth to a wider audience at performances further afield. To their members they provide an activity that is available to all ages, abilities and cultures and keep the costs as low as possible to attract families who may usually be hard to engage or reach. Most of the funding they raise themselves via class fees and paid performances.

The Community Development Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application to put before the Committee.

Amount recommended: **£485**
