<p><b>STATEMENT OF LICENSING POLICY</b></p>	<p>The Sub-Committee has taken into account the North Hertfordshire District Council's Statement of Licensing Policy in reaching their decision. They have found the following sections to be of particular relevance in reaching this decision.</p> <p><b>4. Regulating Licensing</b></p> <p>4.1 <i>Licensing is about regulating the carrying on of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Act. The Council may attach conditions to licences issued under the Act and these must be focussed on matters, which are within the control of the individual licence holders and others in possession of relevant authorisations.</i></p> <p>4.2 <i>Licensing law is not a mechanism for the general control of nuisance and antisocial behaviour by individuals once they are away from the licensed premises or event and therefore beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned. Nonetheless, it is a key aspect of such control and licensing law will always be part of a holistic approach to the management of the evening and night-time</i></p>

	<p>economy in North Hertfordshire.</p> <p>4.3 <i>In addressing these matters the Council will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public living, working or otherwise engaged in activities in the vicinity.</i></p> <p><b>7. Licensing Hours</b></p> <p>7.1 <i>The Council recognises that fixed and overly restrictive opening times can lead to peaks of disorder and disturbance on the streets due to large numbers of people leaving licensed premises simultaneously. These concentrations of people leaving can result in friction at places such as late night food outlets, taxi ranks and other sources of transport. Longer licensing hours with regard to the sale of alcohol are an important factor in reducing these concentrations and the resulting crime and disorder.</i></p> <p>7.2 <i>The Council also recognises that licensing hours should not inhibit the development of a thriving and safe evening and night time economy, which is important for local investment, employment and tourism. The Council will not seek to restrict the trading hours of any particular premises unless this is necessary to promote one or more of the Licensing Objectives.</i></p> <p><b>9. The Prevention of Public Nuisance</b></p> <p>9.1 <i>Licensed premises may have significant potential to impact adversely on communities through public nuisances that arise from their operation. The Council interprets 'Public Nuisance' in its widest sense and takes it to include such things as noise, light, odour, litter and anti-social behaviour, where these matters impact on those living, working or otherwise engaged in activities in the vicinity of a particular premises.</i></p>
<b>RATIONALE FOR DECISION</b>	The Sub Committee has concluded that the hours granted by this licence are necessary to promote the licensing objectives and to bring the Premises in line with other outlets in the town centre.
<b>COMMENCEMENT DATE</b>	This licence will come into effect from the date of this decision.
