

Hi Chris,

I can confirm I have no objections to the amended application to incorporate the below condition with the additional wording.

Subject: Que Pasa, 31 Market Place, Hitchin - Premises Licence Variation

Kuljit,

Thank you for your email.

I have taken my client's instructions and they confirm they are content to add a condition limiting new entries to the premises after 2am.

The current "last entry condition" of 1am will be deleted as requested in our application however we would agree to the imposition of the following condition:

"Persons are not to be permitted entry or re-entry to the premises after 02:00 hours the following morning; this condition does not affect customers who are seeking re-entry having left the premises solely in order to smoke."

As discussed, I have amended your original suggestion to clarify that smokers will not be affected by the condition.

If you are content with the amended wording, please confirm to myself and the Licensing Authority.

Many thanks.

Regards

Christopher Grunert
