				<b>Positive</b>
				<b>Negative</b>
				<b>Young People:-</b> If play areas do not transfer to third parties there would be the potential loss of equipment from up to 13 play areas.
				<b>Positive</b>
				<b>Young People:-</b> If 13 play areas are transferred to third parties they would be managed at a more local level meeting the needs of local communities. <b>Teenagers / Adults:-</b> The proposal to provide a new football changing pavilion at Walsworth Common, Hitchin will mean the Council will have two fully DDA compliant football pavilions.
				<b>Negative</b>
				<b>Positive</b>

**5 Results**

	Yes	No	
Were positive impacts identified?	X	<input type="checkbox"/>	With reduced funding the Green Space Strategy 2017 - 2021 best enables the Council to meet community needs for the retention of Green space and associated infrastructure most valued by our communities.
Are some people benefiting more than	<input type="checkbox"/>	X	

others? If so explain who and why.			
Were negative impacts identified (what actions were taken)	X	<input type="checkbox"/>	NHDC's Community Development Team will work with local communities to help establish 'Friends of Local Play Area' groups.
<b>6. Consultation, decisions and actions</b>			
If High or very high range results were identified who was consulted and what recommendations were given?			
Opinion Research Services (ORS) was commissioned to undertake three focus groups (one in Hitchin, one in Letchworth and one in Royston) with members of NHDC's Citizens' Panel to discuss the Green Space Management Strategy Review. The groups included a total of 29 people: they were recruited by ORS through its social research call centre, with quota controls to ensure a relatively proportional representation of different demographic and socio-economic groups.			
Describe the decision on this activity			
Where financially viable the recommendations of the Focus groups have been incorporated into the Green Space Strategy.			
List all actions identified to address/mitigate negative impact or promote positively			
Action	Responsible person		Completion due date
Revised the current Green Space management Strategy to include a sustainable investment programme for green space for the period 2017 - 2021.	Stephen Geach		Jan 2017
When, how and by whom will these actions be monitored?			
Annual review of Strategy by Head of Leisure and Environment
