(NHDC's capital investment for all projects may be reduced if additional section 106/ CIL contributions can be secured)

ITEMS REMOVED FROM GREEN SPACE WORK PROGRAMME 2016/17 & 2017/18:

(Included in Cabinet report 22nd November 2016)

Location	Project Detail	Year	NHDC Capital	Reason for Removal
Icknield Way Cemetery, Letchworth	Reconstruction of pathway and roadway	2016/17	£40,000	Cemetery has reached capacity so has limited use. Suggest minimal future works only if required to maintain safety.
Clothall Road, Baldock	Replace boundary fence & gate	2016/17	£15,000	New boundary fencing and gate would only enhance visual appearance of site and would have limited community benefit.
Swinburne Recreation Ground Hitchin	Pathway, gates, biodiversity	2016/17	£30,000	Non essential work as other disability compliant access routes exist to the common. Would also increase future revenue maintenance cost. Adjacent common already has good range of biodiversity.
King George V Recreation Ground, Hitchin	Repairs to car park, new signage, improve main entrance. Restore electricity to garages.	2016/17	£60,000	Works to car park undertaken by Property Services under car park budget. Remaining works non essential and would have limited community benefit.
Bakers Close Recreation Ground, Baldock	Contribution to a third party to assist them with a £160K refurbishment of pavilion at Bakers Close Recreation Ground.	2016/17	£50,000	No scheme ever developed by a third party. Building is now in an extremely poor condition and is an eye sore. In addition only one football pitch exists

^{**} Only required not transferred into community ownership.

APPENDIX E

Location	Project Detail	Year	NHDC Capital	Reason for Removal
				at this site so limited benefit in having changing rooms.
Land adjacent Clothall Common, Baldock	New mountain bike track at Clothall Common, on land owned by HCC.	2016/17	£100,000	Will require future revenue contributions for ongoing maintenance. NHDC do not own the land. New district wide wheeled sports facility being constructed in Letchworth from developer contributions.
Walsworth Common, Hitchin	Enhance wheeled sports facility.	2016/17	£20,000	Non essential work as other disability compliant access routes exist to the common. Would also increase future revenue maintenance cost. Adjacent common already has good range of biodiversity.
Baldock Road Recreation Ground Letchworth	Contribution to a third party to assist them construct a new changing pavilion at Baldock Road Recreation Ground.	2016/17	£50,000	No scheme yet developed by a third party. Changing rooms now available at the adjacent Herts FA football ground.
Walsworth Common, Hitchin	£50k capital contribution towards £300K new changing rooms. Remainder to be funded by section 106	2016/17	£50,000	Moved to 2020/21 capital programme.
Hitchin Cemetery	Reconstruction of pathway and roadway	2017/18	£40,000	Cemetery is nearing capacity so will have limited future use. Suggest minimal future work only if required to maintain safety.
Ransoms Recreation Ground, Hitchin	Renew Nightingale Road railings	2017/18	£10,000	Railings were removed approximately 75 years ago. Proposal would only enhance cosmetic appearance of entrance and not improve safety. Would have limited community benefit and increase future revenue cost to maintain them.
Wilbury Recreation Ground, Letchworth	Biodiversity	2017/18	£3,000	Site already has a good covering of scrub for wildlife. Additional scrub and wild flower planting is non essential and would only enhance the visual appearance of site with limited community or

APPENDIX E

Location	Project Detail	Year	NHDC Capital	Reason for Removal
				biodiversity benefit.
Temple Gardens Recreation Ground, Letchworth	Improve access	2017/18	£7,000	Proposal is for cosmetic reasons to enhance entrance to site. Would have limited community benefit as fully accessible access to the site already exists.
District Park, Gt. Ashby	Pathways, improve entrance, planting	2017/18	£45,000	Pathways works and planting already programmed and funded by external sources as separate project by CMS using volunteers.
Newmarket Rd Recreation Ground, Royston	Entrance improvements	2017/18	£5,000	Existing entrance is fit for purpose and enhancement would have limited community benefit. May also increase future revenue if additional features were provided.
King George V Recreation Ground, Hitchin	Capital Contribution to Rugby Club towards new pavilion complex	2017/18	£50,000	Item was included in programme prior to the Councils adoption of its current MTFS. May no longer be affordable. Also funding a single Rugby Club for improvements to their pavilion may set a precedent for other sporting clubs in the district.
Newmarket Rd Recreation Ground, Royston	Enhance wheeled sports facility.	2017/18	£20,000	Existing facility is fit for its intended purpose. It has concrete construction and has a long life expectancy. Could increase revenue cost.to maintain additional equipment. Enhancements would only benefit small number of local community.
