This newly established group aims to set up a food bank in Royston, having found through contact with several local organisations (Children's Centre, Homestart, schools and support workers) that a need exists. The present application is for a contribution to support the costs of racking, shelving etc. to be set up in the warehouse. Comments from Development Officer:

The application is eligible as a community group seeking funding for equipment; the maximum award stipulated in the agreed Criteria is £250.

The Community Development Officer has examined this application against the Authority's Area Grants Policy. As a start-up group there are obviously no accounts to inspect, but the CDO has seen the Declaration of Trust document, and a statement of projected income and expenditure.

Amount recommended: **£250**
