3. Summary of application: construction of new rehearsal room for the band		
Name of organisation: Royston Town Band		Sum requested: £1,500
		•
Brief details:		Total project cost: £40,000
We are seeking support to build a new rehearsal room at Tannery Drift, Royston. Sharing a community space with other organisations might seem an obvious solution. We've tried out some options, such as the St Johns Ambulance hall and Coombes Community Centre but it's proved difficult to find a multi use space that can meet our needs Since its foundation in the mid 1800s, the band has collected over 1,500 sets of musicnot to mention the musical instruments owned by the band. So far we have negotiated a lease, we have been granted planning permission to carry out the build and are currently in the process of submitting for building control consent.
