AREA COMMITTEE DEVELOPMENT GRANT APPROVAL FORM

1. Committee: **Royston Area Committee**

2. Date: **15 Jan 2014**

3. Summary of application: **installation of two dog-waste bins**

Name of organisation: **Budgetary Support, Royston Area Cttee.**

Sum requested: **£800**

Total project cost: **£800**

Brief details:

Application for budgetary support for installation and maintenance of two dogbins, one at the south end of the underpass itself (thus midway between two existing bins) and one outside Roysia school.

Members will be aware of the issues around cleaning of the underpass. To address the dog-waste issue, Members suggested an additional dog-waste bin. Bins already exist at both ends of the underpass route, and the proposed additional bin would be sited adjacent to the southern-most end of the underpass itself, and almost exactly midway between the existing bins.

The sum recommended is that for the provision and installation of two bins, and their emptying for a year.
