Comments from Development Officer:

Barkway Recreational Ground is a well used facility and the purchase of additional picnic benches and waste and dog waste bins will increase usage in the future. Barkway Parish Council are providing 50% match funding for the project and the application is criteria compliant. The officer recommendation is therefore an award of £734.

The Area Committee may wish to note that the Parish Council is a precepting body which has the power to raise funds for such projects in its own right.

The applicant is not in receipt of any rate reliefs from NHDC. The Community Development Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application to put before the Committee.
