Comments from Communities Officer:

**Royston Means Business has been holding an xmas event in Royston High Street for the last 3 years. This event includes a craft market, santas grotto and punch and judy. This event is extremely popular and helps drive footfall for the town. As part of this event, it is necessary to close the High Street to all traffic. It is therefore necessary for the group to purchase a number of signs to ensure the road closure works effectively. This will include road ahead closed / road closed / diversion signage etc As well as being used for the Christmas event, the signage will also be made available to other community groups for their events in the town. This will include the Royston Means Business Summer event, the Adhoc event and the proposed Royston Cycle Race event. The application is criteria compliant and the officer recommendation is an award of £800.**

**The applicant is not in receipt of any rate reliefs from NHDC.. The Communities Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application to put before the Committee.**

Amount recommended: **£800**
