Comments from Community Officer:

This is a new team and an opportunity for women to get involved in rugby in Royston. The club currently has 20 members but is optimistic of attracting new members in the coming months. The application is for £500 but as this is a new club my recommendation can only be for a start up grant of £250. Members are reminded that they can award more and given that this venture is unique for Royston, an award of £500 may be more appropriate.

Amount recommended: **£250**
