The grant will support the initial feasibility costs and related administrative costs in moving the project forward. Comments from Development Officer:

Whilst the project is compliant with the Council's existing criterias for 'Small Grants', all Ward Member Grant requests of more than £500 requires full Area Committee support and approval. The SR CDO has been providing on-going support and advice to the Codicote Pavilion Project Director. The project is designed to offer a 'state of the art' sports and community pavilion for use by all residents of the district.

Amount recommended: **£700**
