

## HIGHWAYS WORKS PROGRAMME

HIGHWAYS WORK PROGRAMME							
Southern Rural Area Committee							
JMP/NHDC Area Committee Match Funded Highway Schemes				Year: 2010/11			
						Review of Progress	
						Traffic Light	Comments
	Kerr Close j/w Westland Road, Knebworth – Junction Protection	Roger Flowerday 01438 757800	Total cost of works £5,500. JMP agreed to fund £3,500. The AC is asked to consider funding the remaining £2,000	Awaiting Confirmation on funding	Awaiting Confirmation on funding	Red	Parking on the junction, assumed to be commuter parking causes difficulty for vehicles enter/exiting Westland Road The proposal is to introduce junction protection waiting restrictions.
	Farriers Close, Codicote – Parking Issues (Feasibility & Detailed Design including informal consultation of any required TRO)	Roger Flowerday 01438 757800	Total cost of works £8,000. JMP agreed to fund £5,000. The AC is asked to consider funding the remaining £3,000	Awaiting Confirmation on funding	Awaiting Confirmation on funding	Red	Feasibility study looking at how the current parking arrangements and one way system operate to identify possible improvements to maximise parking and improve access for through traffic. The geometry at present can restrict access forcing vehicles to exit the one way system the wrong way.

**Theme codes:** Transport (T), Herts Highways (HH)

Traffic lights:

“Red” – scheme not yet agreed and funded by either JMP or Area Cttee (see comments column)

“Amber” – scheme agreed by JMP and Area Cttee but not yet programmed for delivery (see comments column)

“Green” – scheme agreed and funded by JMP and Area Cttee and programmed for delivery
