Comments from Development Officer:

The impetus for this has come from the young people themselves and there are now 15 on the register. They also have good parental support. This will be of benefit not only to the Football Club, with young people having the opportunity move onto the adult County Saturday League in the future, but also to the village by providing a diversionary activity for young people and increasing formal use of the recreation ground.

Amount recommended: **£1,180**
