Comments from Development Officer:

All the 3 teams are resgistered with Herts FA.

It is understood that the playing surface might benefit from a better drainage system, as it is believed the original channels were filled in a few years back. The club however says that the surface holds up fairly well and it might be something they can find funding for over the coming season and address next summer.

With this in mind the CDM will work with the Club and Parish Council to see if any Planning Contribution UU funds can be potentially unlocked to enhance the playing surface.

Amount recommended: **£1,424**
