Comments from Development Officer: Over the last five months the group have been actively seeking community views, opinions and concerns to ensure that they carefully consider the most appropriate options, while simultaneously seeking numerous quotes from playground suppliers and exploring potential funding options. On the 30th January 2015 they held an extremely successful open community consultation session at Codicote Primary School where preliminary designs and plans were displayed for people (adults & children) to have the opportunity to meet the team and pass comment / preferences on the indicative scheme on show. Following a meeting with the Parish Council and taking on board comments from residents, the group has scaled back aspects of their provisional plans in order to focus on urgently needed renovations and enhancements. For group plans to host local level fundraising events throughout the course of the project such as running cake sales, Village Day stalls, fitness fundraisers and a Gala Dinner evening with some fantastic operatic entertainment. The Community Development Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application to put before the Committee.
