Comments from Development Officer:

Members of the Committee might be minded to consider making an allocation within available grant budgets to cover the cost of replacing the bench which is currently estimated in the region of £800.

The Area Committee may wish to note that the Parish Council is a precepting body which has the power to raise funds for such projects in its own right.

The Community Development Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application.

Amount recommended: **£800**
