Comments from Community Officer:

The Parish Council is seeking funding support from the Area Committee's main budget in the region of £2,000 and hopes to meet the funding gap via its own reserves and other fund raising locally.

The Area Committee may wish to note that the Parish Council is a precepting body which has the power to raise funds for such projects in its own right.

The Community Development Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application.

Amount recommended: **£1,500**
