Comments from Community Officer:

The club manages to operate on a small working balance within the Club's accounts each year and has to reserve funds to cover external contractor costs associated in keeping the green in good order with further funds put aside to maintain the grass cutting mowers.

The Bowls Club is therefore seeking a grant award in the region of £250 from the Knebworth Ward Budget.

The Community Development Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application.

Amount recommended: **£250**
