Comments from Community Officer:

The club is planning to under take the works mid March and is seeking funding support from the Area Committee's main budget in the region of £600 with total estimated cost for all the works quoted coming in at £1,400. The club hopes to meet the funding gap via its own reserves and other fund raising locally.

The Community Development Officer has examined this application against the Authority's Area Grants Policy, the organisation's accounts and grant history, and considers it an eligible application.

Amount recommended: **£600**
