AREA COMMITTEE DEVELOPMENT GRANT APPROVAL FORM

1. Committee: **Southern Rural Area Committee**2. Date: **02/03/2017**3. Summary of application: **Funding to assist with the provision of a mobile batting practice net**Name of organisation: **Breachwood Green Cricket Club**Sum requested: **£1,153.94**Total project cost: **£1,153.94**

Brief details:

This Breachwood Green Cricket Club is planning to install a new artificial cricket pitch on the area they currently use at the recreation ground, plus the possibility of a mobile batting net that can be wheeled out to the square for practicing.

Other areas that the club will be fundraising for include:

- **New ground equipment (line marker, boundary markers, site screens etc)**
- **New playing equipment (stumps, balls, bats etc)**
- **Refurbishment of changing rooms**

The Club is making a conscious effort this year to put an emphasis on recruitment of playing members and they feel funding to improve the areas listed above will make the club more attractive to potential new members.

Comments from Development Officer:

The Club is therefore seeking funding support from the Area Committee for a mobile cage style practice batting net costing £1,153.94.

The application is criteria compliant although the current Area Committee Grant Criteria only provides for grants awarded covering up to 70% of the total project costs ie £800.
