NORTH HERTFORDSHIRE DISTRICT COUNCIL

AREA COMMITTEE DEVELOPMENT GRANT APPROVAL FORM

1. Committee: **Southern Rural Area Committee**2. Date: **02/03/2017**3. Summary of application: **Funding to assist the installation of an external door serving the Preschool**Name of organisation: **Ickleford Village Hall**Sum requested: **£1,000**Total project cost: **£1,344**

Brief details:

This Ickleford Village Hall had new set of Emergency Exit doors fitted last spring at a cost of over £3000. Unfortunately the Pre-school uses these doors for every day for coming and going from a security & safeguarding point of view. As the exit doors not designed for such everyday use they are beginning to fail.

A solution would be to install a new door which opens directly onto the Pre-school's existing play area, which would also further enhance security & safety.

An estimate quote for a new door and point of access / egress is £1,120 + VAT and a new small threshold step would also need to be added outside.
