TITLE OF REPORT: QUESTIONS FROM MEMBERS

In accordance with Standing Order 4.8.11(b), three questions were submitted by Members of the Conservative Group by the deadline date for questions set out in the Council's Constitution.

(A) Unlawfully Parked Vehicles

Councillor Jim McNally to Councillor Paul Clark (Executive Member for Planning and Transport):

"Members were advised, via the MIS of 18 December 2020 that the minimum set period for observing vehicles unlawfully parked on yellow lines was to be reduced from 5 minutes to 2 minutes. The record of the decision taken under delegated authority states at paragraph 6.1 that 'The Executive Member for Planning & Transport & Deputy as well as other ward councillors have been informed and are supportive of the decision taken'.

Can the Executive Member inform Council which ward councillors were informed and when?"

(B) Progress of Work on the New Settlement

Councillor David Levett to Councillor Paul Clark (Executive Member for Planning and Transport):

"Could the Executive Member update us on the progress of work on the New Settlement for which the previous administration secured substantial funding from central government"

(C) Local Election Safeguards

Councillor Morgan Derbyshire to Councillor Martin Stears-Handscorn (Leader of the Council):

"Would the leader of the council please outline the safeguards that have been put in place to protect poll workers and voters if the local elections are to go ahead this May?"
