TITLE OF REPORT: QUESTIONS FROM MEMBERS

In accordance with Standing Order 4.8.11(b), 3 questions were submitted by the deadline date for questions set out in the Council's Constitution.

A. Local Plan Modifications

Councillor David Levett to Councillor Paul Clark.

'Following the public consultation on the Local Plan modifications could the Executive Member say when those response were submitted to the Inspector, when the Inspector will be submitting his final report and when Council will be asked to adopt the Local Plan?'

B. NHDC providing help and support for those affected by crisis in Afghanistan

Councillor Judi Billing & Councillor Ruth Brown to Councillor Gary Grindal.

'We are all aware of the unfolding humanitarian crisis in Afghanistan that the world has witnessed in recent weeks. We are thankful that a large number of civilians and members of our armed forces were rescued and able to flee the country before all troops were removed. However, we also know that many were not so fortunate, and we are greatly concerned for the safety of those that remain, and particularly fear for the future of women's rights under the rule of the Taliban

Thank you to the Exec and Deputy Exec members for Housing & Environmental Health for the recent briefing in our Councillors Information Bulletin in relation to our position at that time on the Government's resettlement scheme.

We are aware that this situation can change daily, therefore with all members present at full Council can the Exec Members please provide any further update on the support that NHDC is intending to provide as we prepare to help in any way we can?'

C. Waste Service Disruption

Councillor George Davies to Councillor Amy Allen:

'As members will be aware, we are currently experiencing disruption to our waste collection services. Could the executive member provide an update on measures to alleviate these issues and restore normal service?'
