- 1.4 To advise the Forum of the activities and schemes with which Community & Partnerships officers have been involved in and some important community-based activities that will take place during the next few months.

2. RECOMMENDATIONS

THAT THE COMMUNITY FORUM:

- 2.1 Considers and notes the information within this report.
- 2.2 Makes recommendations to the Executive Member for Governance on the grant applications detailed below.
- 2.3 Headway Hertfordshire Limited - **£1,000** towards the running costs of fortnightly peer support group sessions.
- 2.4 Growing Resilience in Teens (GRIT) - **£1,200** towards training for Coaches.
- 2.5 Saracens Sport Foundation - **£1,190** towards dance classes designed for over 50s.
- 2.6 Resolve - **£1,500** towards the costs of a Key Worker who runs the Group Therapy and Key Work Sessions.
- 2.7 Whitethorn Bowls Club - **£1,500** towards installing a metal mesh fence around the bowling green.
- 2.8 Jackmans Community Association - **£1,987** towards replacement of a back gate.

3. BACKGROUND/ RELEVANT CONSIDERATIONS

- 3.1 The Community Grant budget for Letchworth Community Forum 2026/27 is **£21,404**.
- 3.2 Community grant payments totalling **£3,051** have been made to date, as itemised in Appendix 1.

- 3.3 The remaining budget available for community grants for the Letchworth area for 2026/27 therefore stands at **£18,353**.

4. LEGAL IMPLICATIONS

- 4.1 Following the decision of Full Council on 18 April 2023, a Community Forum shall consider applications for community grants in its area and make recommendations to the Executive Member for Governance on them. The Executive Member has delegated authority to make these Executive decisions under section 14.6.9(b)(iii)A of the constitution, in consultation with the Service Director: Governance. That decision will be subject to a 5 clear working day call-in period, following publication in the Members Information Bulletin (MIB) and on the Council's website.
- 4.2 The Terms of Reference of the Community Forum can be found in Section 9 of the constitution which states that the forum will *'consider and act as an advisory body to the relevant Executive Member responsible for grants who approves these (in consultation with the relevant Director)'*.
- 4.3 Other issues raised in this report are for information and noting and therefore no direct legal implications arise.

5. FINANCIAL IMPLICATIONS

- 5.1 As outlined in Appendix 1 and under item 3.3 the Community Grant budget available is **£18,353**.
- 5.2 The total amount of funding requested for this meeting is **£8,377**.
- 5.3 If the applications outlined in Appendices 2 - 7 are recommended by the Forum and subsequently approved by the Executive Member for Governance there would be **£9,976** available for Community Grants for the remainder of the 2026-2027 financial year.
- 5.4 The applications outlined in Appendix 4 and 7 have been determined to be a subsidy under the Subsidy Control Act. Appendix 4 is a subsidy because there is a market for dance classes. Appendix 7 is a subsidy as there is a market for hall hire. The applicants have confirmed that the value of grants that they have and will receive means that the proposed payment can be treated as Minimal Financial Assistance (MFA) under the Act. The Council will ensure that it carries out the necessary steps for the payment to be treated as MFA, but ultimate responsibility is with the applicant.

6. RISK IMPLICATIONS

- 6.1 Good risk management supports and enhances the decision-making process, increasing the likelihood of the Council meeting its objectives and enabling it to respond quickly and effectively to change. When taking decisions, risks and opportunities must be considered.
- 6.2 There are no relevant risk entries that have been recorded on Ideagen Risk Management, the Council's performance and risk system. Individual events should have their own risk assessments in place to mitigate any health and safety issues. Whenever a request for grant funding for equipment is received, the recipient of the funding will be advised to obtain insurance for the item to avoid a repeat request for funding in the event of the equipment being stolen or damaged. There are no pertinent risk implications for the Authority associated with any items within this report.

7. EQUALITIES IMPLICATIONS

- 7.1 In line with the Public Sector Equality Duty, public bodies must, in the exercise of their functions, give due regard to the need to eliminate discrimination, harassment, victimisation, to advance equality of opportunity and foster good relations between those who share a protected characteristic and those who do not.
- 7.2 Community Grant funds are awarded to community groups that clearly demonstrate positive impact on the community and wider environment. The projects outlined in this report seek to advance equality of opportunity and foster good relations.

8. SOCIAL VALUE IMPLICATIONS

- 8.1 The Social Value Act and “go local” policy do not apply to the matters contained within this report, as there are no recommendations on procurement.

9. ENVIRONMENTAL IMPLICATIONS

- 9.1 There are no known Environmental impacts or requirements that apply to this report.

10. HUMAN RESOURCE IMPLICATIONS

- 10.1 The activities of the Community & Partnerships team are covered by existing budgets.

Officer Summary				
Headway Hertfordshire Limited is a trusted, long-established charity dedicated to improving the lives of people affected by acquired brain injury. Through their specialist community-based outreach, they offer vital emotional, practical, and social support that significantly enhances recovery and strengthens mental and physical wellbeing. Their work helps individuals rebuild confidence, reconnect socially, and regain independence at one of the most challenging times in their lives. They are seeking funding to continue running a much-needed support group in Letchworth, providing a safe, welcoming space for people to connect, share experiences, and access emotional and practical support. These sessions provide a fantastic opportunity for people with a brain injury to engage and grow long lasting supportive relationships whilst gaining confidence and stimulating their brain. They are currently running this monthly but looking to increase to fortnightly, for this they require: • £1,300 to cover the fortnightly cost of hiring the Salvation Army Hall in Letchworth which is £36 per session. • £200 for arts and crafts materials that play an important role in therapeutic and confidence-building activities. They are requesting £936 towards hall hire for 12 months and £64 towards arts and craft materials. Local donations and fundraising activities will contribute £500 towards the total cost.

Officer Summary				
GRIT supports young people (aged 11-24) who are experiencing mental health difficulties through their evidence-informed and effective Four Corners Method. This combines Health and Wellbeing Coaching with non-contact boxing. Their 1:1 coaching and 12-week group programmes are life-changing, helping young people manage anxiety, build confidence, regulate emotions and develop resilience. In our region, they are seeing an alarming rise in referrals. Their programmes primarily take place at their gym space in Hitchin. They supported 585 young people in 2025 and anticipate over 700 in 2026. To respond to referrals where children have increasingly complex needs, they are requesting funding towards developing a Coach-led Mentoring Programme that sits alongside their coaching services to provide: (1) an early-intervention, preventative service for young people who would benefit from relational support and a constructive physical outlet, but who do not meet the threshold for structured coaching for emotional dysregulation (2) an important continuation of support for young people who have completed GRIT coaching (3) breadth within their coaching and mentoring team to respond to the increasing pressures of complex behavioural needs and more referrals (4) access to their gym space for more young people and flexibility to respond to demand for their programmes from adjacent neighbourhoods. Their network of trusted referrers will be alerted to the service and clear online information provided to young people and their families who may reach out to them directly. The funding would be going towards the below training: • Online Health and Wellbeing Coaching by Peak Health Ltd for 1 person - £1,434.00 • Health coaching supervision by Peak Health Coaching for 1 person - £1,620.00				

*Funding will only be released on receipt and approval of all supporting documentation

- Online Ricky Hatton Boxing Training for 3 people - £537.00
- Four Corners Method Training delivered by GRIT staff within gym space for 8 people
- £1,000.00

They have chosen the providers of the training because of a mix for value for money, the relevance of the training and because of the unique aspects of what they need.

This training is to ensure that all of their coaches who will be called upon to potentially deliver the coach led mentoring are fully trained in all aspects of their programme and coaching. So that they can continue to deliver a fully flexible service tailored to the needs of each young person.

They anticipate that 700 young people from Hitchin, Letchworth and the surrounding areas will benefit. They have also requested £1,500 from Hitchin Community Forum towards this coaching. It is more than Letchworth as it is anticipated that there will be a higher percentage of young people from Hitchin.

There is also funding from Hertfordshire County Council Locality Budget going towards this project. This includes £350 awarded from Cllr Ian Albert's budget and £300 from Cllr Sean Prendergast's budget. The remaining £1,241 will come from fundraising.

Officer Summary				
Saracens Sport Foundation deliver community projects in response to specific needs and is seeking funding to continue delivering Love to Dance, a weekly dance and wellbeing programme for people aged 50 and over in Letchworth. The programme offers 90-minute sessions for £5.60, designed to improve physical fitness, mobility, balance, and mental wellbeing through accessible dance routines suitable for all abilities and fitness levels. Sessions also provide opportunities for participants to socialise, build friendships, and reduce feelings of loneliness and isolation. The programme runs every Thursday for 46 weeks of the year. Currently there are 13 people listed for the class and are hoping to reach up to 20 participants in Letchworth. Following a successful year of funding, Love to Dance has demonstrated a positive impact on participants. Feedback and impact assessments show that 85% of participants report improved physical fitness, while 92% have made new friends through the project. To improve accessibility and respond directly to participant feedback, the programme is relocating from its current venue in Jackmans to Mrs Howard Memorial Hall, a more central location in Letchworth. Participants identified the need for a more accessible venue, and the change is expected to make it easier for existing attendees to participate while also attracting new participants and expanding the project's reach within the community. The total project cost is £4,876. The Saracens Foundation will contribute £3,686 through participant fees and unrestricted funds. The Foundation is seeking £1,190 from the Letchworth Community Forum towards hall hire for 44 weeks (£ 1,166) and some of the refreshments costs (£24).

Officer Summary				
Whitethorn Bowls Club is a long-established, volunteer-run, not-for-profit community sports club based in Letchworth Garden City. The club provides accessible flat-green bowling for local residents of all ages, abilities, and backgrounds, promoting physical activity, social connection, and wellbeing. The club also offers coaching and participates in local leagues. The club is seeking funding towards installing a 1.8m green-coated metal mesh perimeter fence around the bowling green. The fencing will cover along the section most affected by fox intrusion. The need for the project has been identified through ongoing and repeated fox damage, with foxes regularly entering the site and digging up sections of the green. This has created unsafe playing conditions, resulted in rink closures, requiring volunteers to carry out frequent repairs that are both time-consuming and costly. Installing a secure perimeter fence is the only effective long-term solution to protect the bowling green from ongoing fox damage. Delivered with significant volunteer involvement, the project will benefit more than 60 members, visiting teams, and local residents by ensuring the facility remains safe, welcoming, and available for use. The total project cost is £2,000, covering fencing materials, installation supplies, protective equipment, skip hire, and the hire of ground-drilling equipment. Whitethorn Bowls Club are contributing £500 and are requesting £1,500 from the Letchworth Community Forum towards the project.

Officer Summary				
Jackmans Community Centre has been at the heart of the estate since 1970, offering a vibrant mix of activities for all ages. Jackmans Community Association (JCA) are looking to temporarily close the Community Centre for a two-week period at the beginning of January to carry out a full rebrand and refurbishment project. This will provide the opportunity to refresh the centre's identity, including changing its name, redecorating key areas, updating furniture, and improving the appearance of the building. The aim of the project is to create a more modern, welcoming, and inclusive environment that better reflects the needs of the community. By investing in the centre, they hope to encourage more people to use the facilities, increase community engagement, and provide a space that residents feel proud to visit. Funding from this grant would go towards replacing their back gate which will cost £6,777. The option they have chosen will provide the best security for the building and staff. Only staff will be able to open the gate, and it will be wired into their fire alarm system. Other elements of this project, which includes door signage, tile replacement and disabled door access, will be funded through fundraising, £1,800 from the Letchworth Heritage Foundation and contribution from JCA. The temporary closure will allow the work to be completed safely and efficiently, minimising disruption in the long term. Once reopened, the refreshed centre will offer a more inviting atmosphere, helping to strengthen community connections and support future activities and events.
